Welcome

Welcome to the **ASAIC 2023**.

Over the years, ASAIC has served as a platform for knowledge exchange, innovation, and collaboration among healthcare professionals dedicated to excellence in anaesthesia, intensive care, and pain management. We have witnessed remarkable progress, and this year's conference promises to be no exception.

Thank you for joining us in this pursuit of knowledge and for your commitment to enhancing patient care. We are confident that this edition's will be filled with valuable insights, networking opportunities, and lasting memories.

Here's to a successful and inspiring **ASAIC 2023**.

Let's make it a memorable event.

Prof. Mohamed Ibrahim

President of Alexandria Society
of Anaesthesia and Intensive Care

Welcome

Hello and welcome to **ASAIC 2023**.

Through panel discussions and seminars, the conference offers you the chance to learn about the most recent research in the field of Anaesthesia.

Through a comprehensive program that will be presented by our specialists, we hope to create an amazing conference that will advance your knowledge.

Awaiting a fantastic conference with our esteemed professors.

Looking forward to seeing you in **ASAIC 2023**.

Prof. Ashraf Arafat Abdelhalim

Alexandria Hosting City

Alexandria is the second-largest city in Egypt, and its largest seaport. Alexandria extends about 20 miles (32 km) along the coast of the Mediterranean Sea in north-central Egypt. It is home to the Bibliotheca Alexandrina, the New Library of Alexandria, and is an important industrial center because of its natural gas and oil pipelines. In ancient times, Alexandria was one of the most famous cities in the world. It was founded around 331 BC by Alexander the Great, and remained Egypt's capital for nearly a thousand years. Alexandria was known for the Lighthouse of Alexandria (one of the Seven Wonders of the Ancient World), the Library of Alexandria (the largest library in the ancient world) and the Catacombs of Kom el Shoqafa (one of the Seven Wonders of the middle Ages).

Hilton Alexandria Green Plaza Venue

Hilton Green Plaza Hotel- Alexandria , on site of Green Plaza Mall, this Hilton is only steps away from 370 shops. With two outdoor pools, it also features a sun deck and fitness center. Alexandria Al Nozha Airport is 10 minutes' drive away. Hilton Alexandria Green Plaza, voted 'Egypt's Leading Conference Hotel' at the World Travel Awards 2016, the Art Deco-style rooms at the Hilton Alexandria Green Plaza Hotel provide plenty of space. Each air-conditioned room includes a work desk, minibar, coffee making facilities, satellite flat screen TV and a Hilton Radio Alarm Clock. Guests can sample pizza, pasta and other Italian delicacies at the Splash Italian Restaurant or enjoy breakfast and dinner at the main hotel restaurant Abu Kir. Ginger Asian restaurant serves Chinese, Japanese and Thai cuisines in a warm and friendly atmosphere, Nefertiti Lobby Bar and Lounge where you can enjoy a snack or a light meal, Aqua Blue Pool Bar is for a refreshing drink or a light meal as well. The property features an Executive Lounge, two business centers and 15 meeting rooms for 3,500 people. The Al-Zahraa Ballroom is among the largest conference rooms in Alexandria. Entertainment options at Hilton Alexandria include a cinema, bowling and horse riding at the hotel's ranch. Sightseeing tours can be booked at Hilton's 24-hour reception. Borg El Arab Airport is 45 minutes away.

Dear Speakers

Accreditation

Certificate

ASAIC 2023

Alexandria, Egypt, 19/09/2023-22/09/2023

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®)
for a maximum of 23 European CME credits (ECMEC®s).

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.

The EACCME® is an institution of the European Union of Medical Specialists (UEMS), www.ums.eu.
Through an agreement between the European Union of Medical Specialists and the American Medical Association,
physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the
process to convert EACCME® credits to AMA credits can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.

Live educational activities occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC® credits are deemed
to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal
College of Physicians and Surgeons of Canada.

Skill stations

- 1) Anticipated difficult AW (Flexible intubating video endoscopy)
- 2) Unanticipated difficult AW
 - a- Rigid intubating video endoscopy
 - b- Intubation through SGA devices
 - c- Surgical airway and retrograde intubation
- 3) Pediatric difficult AW management
 - a- Anticipated
 - b- Unanticipated
- 4) Selective lung ventilation
- 5) U/S AW assessment
- 6) Jet ventilation & high flow oxygen therapy "Case discussion"

Learning objectives:

By the end of this activity, trainees should be able to:

- Develop effective approaches for managing the difficult airway, using appropriate devices and techniques
- Develop skills for alternative ventilation strategies using SGA devices, intubation through SGA devices and surgical techniques for rescue ventilation
- Determine proper patient selection and preparation for awake flexible fiberoptic intubation
- Develop skills for selective lung ventilation and the use of ultrasonography during airway management
